

## **JIANG Pengyi**

Jiang Pengyi (b. 1977 in Hunan, China) constantly innovates with the infinitely generative potentialities of the photographic medium. His recent artistic evolution has taken him from digital photography to the experimentation with the materiality of photographic film, from the exteriority of excessive urbanisation to the interiority of human existence and sexuality. With the use of camera-less analogue technique, traditional darkroom processes, and the application of instant film materials and found images, Jiang creates large-scale abstracts works and unique sculpturesque instant-film objects.

Jiang's recent solo exhibitions were held at XY Gallery (Guangzhou, 2025), Honin Art Center (Chengdu, 2022), and Blindspot Gallery (Hong Kong, 2021). His works have been exhibited at Times Museum (Guangzhou, 2025), Wuhan Biennale 2024, White Rabbit Gallery (Sydney, 2024), Macalline Center of Art (Beijing, 2024), Pinakothek der Moderne (Munich, 2023), Sea World Culture & Arts Center (Shenzhen, 2022), He Art Museum (Foshan, 2022), Times Art Museum (Beijing, 2021), Alexander Tutsek-Stiftung (Munich, 2021), LOOK Photo Biennial 2019 (Liverpool), National Gallery of Victoria (Melbourne, 2019), OCAT Shenzhen (2018), and Helsinki Photography Biennial 2012, among others. Jiang has been awarded the BarTur Photo Award in 2020, Aletti ArtVerona Prize for Photography in 2011, the Jury Grand Prize from the Société Générale Chinese Art Awards in 2010 and the Tierney Fellowship Award from the First Annual Three Shadows Photography Award in 2009.

Jiang's work is in the collection of the Alexander Tutsek-Stiftung, Germany; CAFA Art Museum, China; DSL Collection, France; Fondazione Banca Aletti, Italy; Frac des Pays de la Loire, France; G MUSEUM, China; Kadist Art Foundation, France & USA; Macalline Center of Art, China; UBS Art Collection, USA; UCCA Foundation, China; West Bund Art Museum, China; White Rabbit Contemporary Chinese Art Collection, Australia, among others.

Jiang currently lives and works in Beijing.
